

## **Corona Virus Update - UK Holidays - June-July 2020**

Following the Government's announcement that the current lockdown rules will remain in place for another 3 weeks at least, we wanted to give you a short update for those whose holidays commence after 20th June 2020 that have not yet been rearranged.

We cannot say for sure what the position of the corona virus pandemic will be in the UK in between 20th June & 18th July 2020 but we can say that unless the restrictions are suddenly lifted, we will next communicate with you regarding the position of your holidays week commencing 4th May 2020. Until then no-one on these holidays needs to send in final balance payments until you have heard from us specifically. We may communicate in a general email such as this or directly to those on those holidays according to any other information that needs to be communicated.

**Please see over the page for revised dates of previously re-arranged holidays** which we have organised by Holiday Destination for ease of comparison and we show the original holiday and the new holidays together. For those who were due to come on a holiday in May or June 2020 and haven't been in touch yet please do let us know ASAP what holiday you would like to transfer to or whether you would prefer to just transfer to next year as this will help us with our planning.

### **If you have paid a deposit for your holiday from August 2020 onwards but not yet paid the final balance**

If you are on a holiday this year and haven't paid your final balance we are relaxing the payment terms from 90 days to 60 days before the start of the holiday, to give more time for us to notify you of the anticipated position. This also applies to any re-arranged holiday. However, please keep an eye on emails like this one as the situation develops.

As you are aware this is a very difficult situation and is very difficult for us to plan for so please bear with us and if you are able to be flexible that will also help but we will endeavour to adapt to the changing circumstances as best as possible and communicate with you at the appropriate points.

If you have concerns please contact us by email in the first instance, and not by phone and we will answer as soon as we can. We hope to respond within 2-3 days but no more than 5 working days.
