Art Materials available at an extra charge

For a small additional charge you can have all art materials included on your holiday. This alleviates the need to pack awkward and bulky items in your suitcase.

We have a list of materials available on request so that you know what is available before coming and if you have a preference for a specific colour or a certain accessory like a palette you are advised to bring these in any event.

The cost for providing materials for watercolour is £25 and for oils, acrylics or pastels is £35 for 5 day holidays. Items that are provided in this cost are palettes, pots, masking tape, paints, paper/panels, mediums and all drawing equipment, e.g. pens/pencils etc. No discount can be given for items not used/required.

Items that are NOT included but can be bought separately are Brushes and Sketchbooks. Please check before travelling whether these items are available at your chosen destination.

You can purchase a set of 4 watercolour brushes for £25 and watercolour sketchbooks will be available which range from £15-£25.

Art equipment such as easels, chairs and boards will be available to use irrespective of whether you have chosen to have art materials included in your holiday.
