

Alpha Painting Holidays Key Points 2024

Travel Insurance

Please note that all holidays exclude travel insurance and it is the responsibility of each guest to arrange this for themselves. Alpha cannot be held responsible for any financial loss or cancellations you have made due to your inability to travel for whatever reason if you do not have the relevant travel insurance. Therefore, we strongly recommend you have sufficient travel insurance which covers you in the event of illness and in particular cover for Covid-19.

COVID19 – Safety Guidelines for All Holidays

We have always wanted to be cautious and careful in our approach to Covid-19. We are aware that now the majority of people have had multiple vaccinations and many have had Covid-19. Also, the severity of cases has become more manageable and so Covid-19 isn't the threat that it was a couple of years ago.

However, we are still mindful that the threat of Covid-19 hasn't gone away. Therefore, we still require all guests to be fully vaccinated but are aware that with catching covid-19 and with multiple vaccinations some people are being advised not to be vaccinated as often as we were.

As it stands there is no need for any social distancing rules including mask wearing but you are still required to bring a mask with you just in case you are asked to wear one.

We do still advise everyone to follow regular hygiene procedures such as hand washing, using of hand sanitiser where possible and take care when handling food or shared cutlery and crockery as you would normally do.

Hand sanitiser is often available in most indoor public areas. Please use them when moving around where available.

If you develop symptoms before coming on holiday then you must stay at home and phone us at the earliest opportunity. If you arrive and symptoms develop you will need to follow the guidance of Alpha or the hotel. You must be willing to take a test in these instances, provide the results and self-isolate, if necessary. (We cannot supply test, so you need to bring these yourself)
