

## Corona Virus Update - UK Holidays 2021

We are pleased to say that we have an update on holidays starting on or before 17th May following the government's announcement of the easing of the lockdown and the road map to recovery. We also have replacement tutors for Belinda Biggs (Australia) and Michael Holter (US) who are unlikely to be able to travel this year.

**All revised dates and tutors have also been added to our web site.**

Please see below for revised dates of these Holidays that have been re-arranged which we have organised by Holiday Destination. If you are booked on a May holiday (on or before the 17th) please let us know if the dates below suit and we will transfer you across to the new holiday. If they don't then you are free to choose any other holiday in 2021. **Please get back to us by email ASAP.**

If you are not booked on any of these holidays please feel free to book on any one of these holidays as and when you are ready.
